

2012 Jackson Park Passport Festival

Are you a **GLOBE TREKKER** or an **ARMCHAIR TRAVELLER**?

We need YOUR knowledge and experiences to make the 9th annual JP Passport Festival on the evening of Tuesday, February 21st (snow date Feb. 28th) a success! Volunteer to present a table on a country you've visited, you or your ancestors came from, or one you simply have an interest in and want to share with JP students and their families. Displays can include photos, costumes, artwork, music, food, maps, games, activities, and just about anything that tells about that country. During the Passport Festival, students and their families will "visit" each county, sample some food, do an activity, get their passports stamped and learn about the great wide world we live in! Please return the form below to the office or contact Kim Deitzler at 862-0921 or kdeitzler@att.net

___ Yes! I would like to present a table on

___ I would like to volunteer in another capacity: _____

___ I have a great idea: _____

Name _____

Child's Name/Teacher _____
